

Jakub Lemka

<CV>

PERSONAL PROFILE

Open-minded, aspiring Web developer with a very positive attitude. In 2017 I finished my studies doing double degree program: Economic Analysis in University of Technology in Gdansk, Poland (specialization IT analyst) and ICT engineering at VIA University College in Horsens, Denmark – graduated in November 2017 with bachelor of engineering of Global Business Engineering. Since then I discover more of Web technology and work on my own practice projects From 2018 I would like to start my professional career as a front-end developer.
